

Classroom Awards & Certificates Freebie

About This Resource:

These award templates are designed to celebrate the unique talents and achievements of each student. Acknowledging accomplishments in the classroom validates student efforts and fosters a positive learning environment. When students feel appreciated and recognized for their achievements, they are more motivated to continue striving for success.

How To Use:

This freebie is perfect for any time of the year! You can even use them multiple times a year as students unlock new strengths and accomplishments. Easily plan & organize who will be presented each award with the Awards Planning Sheet.

You can use them electronically by filling in the PDF form fields, or print & complete the hard copy.

Design Your Own Award:

Customize your All-Star Awards for any achievement you choose! Simply fill in the 'For' section with the student's deserving accomplishment.
